Title: Clan of Vampires

Author: Seer Daemeon

The words I write
will be brief and to
the point. Two nights
back I encountered
Mazrim's
creation... the
Soulslave. A foul
creature of shadows
and darkness...
 Thankfully its only
intention was to talk.
Or more to the point,
gloat. It would seem
that Mazrim and his
cult of killers have
taken an interest in
the Clan of Vampires.
A meeting of sorts in
the graveyard north
of Cove was mentioned
brie㆑y. Soon I believe,
there will take place
another such meeting
as well. This time
with this creature's
master as well.
 I must admit I was
mildly shocked to hear
about any of this.
 All I can say, is that
if the Vampires and
Mazrim join forces,
there will be much
trouble coming to the
world.
